B702/705 Sabari Aashiana, Deonar Farm Road
Mumbai – 400 088

CURRENT

*Jan 2019-
Present*

**Director (Radiology and Imaging)
Consultant (Interventional Radiology)
Sir H N Reliance Foundation Hospital
Mumbai**

INDIAN NAVY

*1988-2018
2015*

Vishisht Seva Medal (Awarded by the President of India)

Commendation By the GOC-in-C Southern Command

2017

**Senior Advisor (Radiodiagnosis), Professor and Head of Department (Imaging and Intervention),
Military Hospital (Cardiothoracic Centre), Pune**

*Current
Appointment*

Attached as Professor of Radiodiagnosis to Armed Forces Medical College, Pune

PREVIOUS APPOINTMENTS

Professor and Head, Department of Radiodiagnosis, Imaging and Intervention at INHS Asvini,
Mumbai

2011-2017

Classified Specialist (Radiodiagnosis and Interventional Radiology) and Professor of Radiodiagnosis,
INHS Asvini, Mumbai

2010-2011

Reader and Associate Professor, Department of Radiodiagnosis, Armed Forces Medical College,
Pune

2004-2010

Classified Specialist, Department of Radiodiagnosis, INHS Asvini, Mumbai

2003-2004

Fellow in Interventional Radiology at Bombay Hospital, Mumbai

2001-2003

Radiologist at Naval Hospitals, INHS Jeevanti, Goa and INHS Sanjeevani , Kochi

1995-2001

ACADEMIC

MBBS from Armed Forces Medical College, Pune

1988

MD (Radiodiagnosis) from Armed Forces Medical College, Pune

1995

Sub-Specialty Training in Interventional Radiology (Peripheral and Neurointerventional) at Bombay
Hospital and Institute of Medical Sciences, Mumbai

2001-2003

TEACHING POSITIONS

Post Graduate Teacher (Radiodiagnosis under MUHS, Nasik)	<i>Since 2004</i>
MD Examiner (Radiodiagnosis) at MUHS, Nasik	<i>Since 2006</i>
Professor (Radiodiagnosis) under MUHS, Nasik	<i>Since 2010</i>
Examiner for the National Board of Examinations (Radiodiagnosis)	<i>Since 2011</i>
Examiner at Interventional Radiology Fellowship (TMH)	<i>Since 2012</i>

NATIONAL SOCIETY APPOINTMENTS

Vice President, Indian Society of Vascular and Interventional Radiology	<i>2015-2018</i>
President, Indian Society of Vascular and Interventional Radiology	<i>Current</i>

Interventional Experience

Neurointerventions (Intracranial Aneurysms, Stroke Interventions)
Peripheral Vascular Interventional Procedures
Portal Hypertension (TIPS, DIPS)
Aortic Interventions (Abdominal and Thoracic Aneurysm, Aortic Dissection. EVAR, PEVAR, TEVAR, f-EVAR and ch-EVAR)
Body Interventions (Biliary, Urological and GI)
Oncologic Interventions (TACE, DEB-TACE, RFA)
Venous Interventions

INVITED FACULTY LECTURES

10th Asia Pacific Vascular Intervention Course. Iron Man Challenge. Invited Presentation. Awarded second prize for most challenging Endovascular Intervention. 29 Jul 2018

Classification of Dissection, Thoracic Aortic Aneurysms and Surgical Options. 23 Feb 2017. ISVIR 2017 Annual Meeting, Kolkata

Easy TEVAR: How I Do it 23/Feb/2017 ISVIR Annual Meeting, Kolkata.

Current Update on Peripheral Interventions: Tips and Tricks -Complex Interventional Techniques 06 Aug 16

Imaging and Intervention in Acute Limb Ischaemia: Society of Emergency Radiology, AIIMS, New Delhi. Oct 2015

National IR Quiz ISVIR Annual Conference: 2014 – 2019 annually

Infra popliteal arterial Occlusion: endovascular Therapy: ISVIR Annual Meeting 2015

CME at HN Hospital: Endovascular Interventional Radiology: An Update. Sep 2014.

Peripheral Vascular and Non Vascular IR: CME on Interventional Radiology: MMG hospital Aug 2014

Dialysis Fistula Interventions: ISVIR Annual Meeting Flow 2014 Mumbai Apr 2014

Total Percutaneous EVAR: ISVIR Annual Meeting Flow 2014 Mumbai Apr 2014

Workshop on Closure Devices: ISVIR Annual Meeting Flow 2014 Mumbai Apr 2014

National Workshop on Complex Aortic and Hybrid Interventions:10 Feb 2014 N Delhi.

Aortic Interventions at National Endovascular Workshop, Ahmedabad, 5-6 Oct 2013

Imaging of Hepatic Metastatic Disease: PGI Chandigarh CME on Imaging and Intervention. Apr 2012

Peripheral Interventions: Overview and Hardware. CME on interventional Radiology at D Y Patil Medical College, Pune. Aug 2011

Imaging and Intervention in Vertigo: CME in Otorhinolaryngology, INHS Asvini, Jun 2011

Workshop On Colour Doppler Imaging: Technical Aspects Sep 2009

Carotid Imaging. CME on Radiology, AFMC, Pune, Sep 2009

Royal College of Pathology CME: Head and Neck Malignancies - A Radiologists' Perspective, AFMC, Pune. May 2009

Imaging Anatomy of Head and Neck Neoplasms: Workshop and Update, AFMC Pune, Jan 2009

Imaging in Colorectal Cancer. CME in Surgery for Colorectal malignancies, AFMC Pune, Dec 2008

Transarterial Thrombolysis in Limb Salvage. National Conference of ISVIR. Mumbai. Nov 2008

Imaging in Acute Pancreatitis. CME on Acute Pancreatitis, Dept of Surgery, AFMC, Pune Jan 2008

Non-Surgical Therapy of Hepatic Malignancies. CME in Oncology at CH (SC). Oct 2007

Imaging and Intervention in Venous Disorders. CME on Venous Disease AFMC Pune Mar 2007.

Interventional Radiology in the Management of Portal Hypertension. CME on Portal Hypertension at AFMC. Jul 2006

Colour Doppler Imaging in Peripheral Arterial Disease. ISVIR CME at AFMC Pune Dec 2005

Present Status of DSA. Interventional Radiology and Imaging CME at INHS Asvini. 2005

Embolisation in PPH. HOST (ObGyn CME) at AFMC Pune. Nov 2004

Angioplasty for Claudication: Debate in VASICON 2003, Oct 2003

Central Venous Access. Midterm ISVIR CME Calicut April 2003

Thrombolysis in DVT, CME on vascular Surgery and Interventional Radiology at INHS Asvini, Mumbai. May, 2002

ORAL PAPERS

International

SIR (Society of International Radiology) Annual Meeting 2003: Interventional Radiology in Budd Chiari Syndrome *2003*

Punamiya SJ, Pant R, Amrapurkar DN, Irani FG. Usefulness of TIPS in chronic Budd-Chiari syndrome. Presented at the 29th Annual Meeting of the Society of Interventional Radiology; March 30, 2004; Phoenix, AZ, USA. *2004*

Asia-Pacific Society of Cardiovascular and Interventional Radiology Annual Meeting Delhi 2004: Endovascular Management of May-Thurner Syndrome. *2004*

ISVIR Annual Meeting

Interventional radiology in Budd Chiari Syndrome, Fluoroscopically guided Stents in the management of malignant oesophageal strictures *2001*

Use of Gadolinium for Renal Interventions in patients with impaired renal function, Transcatheter Embolisation in Large Bowel Haemorrhage *2002*
